Questions for Further Study, Reflection, and Application...

1. Where in my walk with Christ have I grown complacent, and what would it look like this week to "press on" because Christ has already taken hold of me?
2. How consistently am I viewing my circumstances through an eternal, Christ-is-coming mindset—and what daily habits could help reorient my focus upward?
3. Am I patient and gracious with fellow believers who are still maturing, entrusting their growth to God's timing as Paul did?
4. What truth of the gospel or of Christ's character do I already know but need to "hold fast" to more firmly right now?
