### **For Discussion & Application:**

1. In what areas of your life are you tempted to keep Jesus "safe" or "manageable" rather than letting Him be Lord?
2. Is there a "Strong Man" (a habit, an idol, or a fear) in your life right now that you have been trying to fight in your own strength rather than surrendering it to the "Stronger One"?
3. How does the promise of 1 John 1:9 ("If we confess...") provide comfort to a believer who is worried about their past or their struggles with doubt?
4. What is one practical way you can move from just being "near" Christian things (church attendance, culture) to truly being with Jesus this week?
5. Jesus' true family "rests" at His feet and "rises" to do His will. Do you tend to be a "worker" who forgets to sit with Him, or a "student" who forgets to move for Him?
6. Application: Identify one specific way in which you sense the Holy Spirit prompting you to rise up and do this week. Share it with someone so you can pray for one another.
